

19 - JEU DE HIP ET RECTANGLES

D'après « Ludi Maths 2 » : APMEP Poitiers

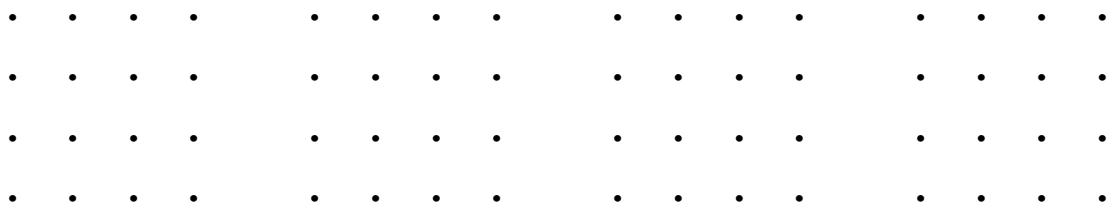

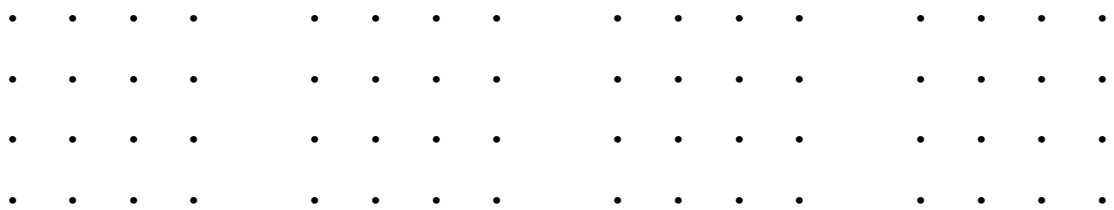

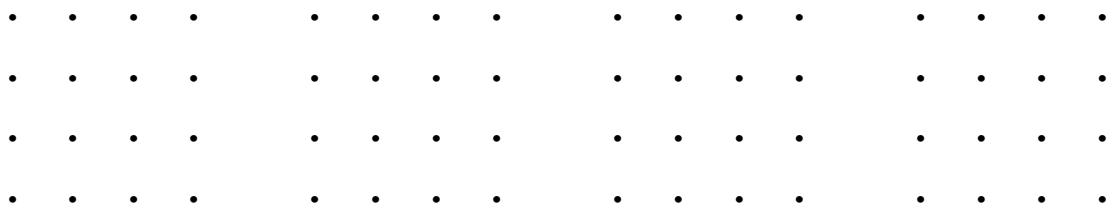

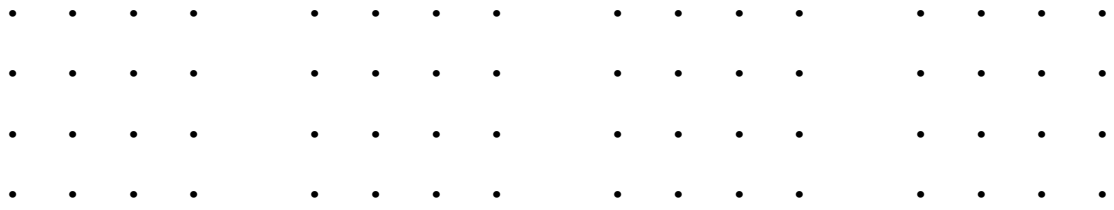

Place le maximum de « pions » sur les points du réseau de façon que quatre d'entre eux ne soient jamais les sommets d'un rectangle. Quel est ton record ?

Les pions utilisés peuvent être des écrous ou des graines...

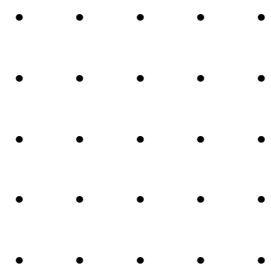

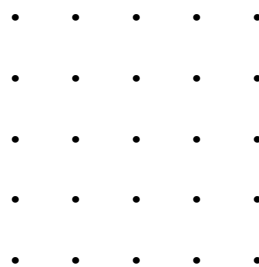

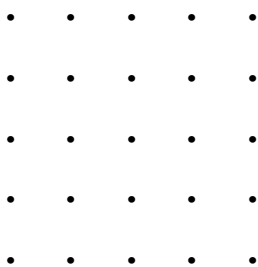

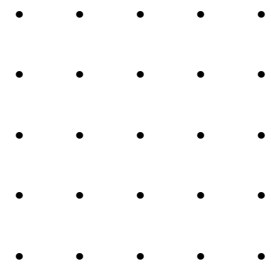

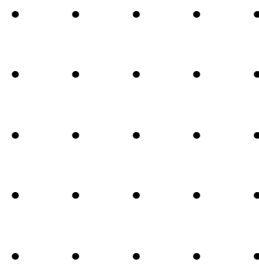

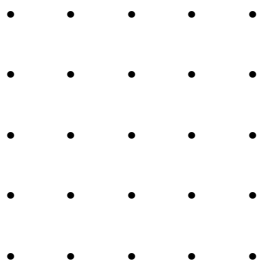

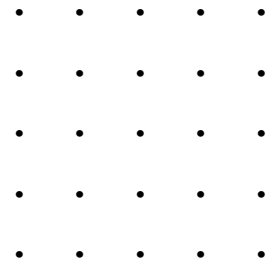

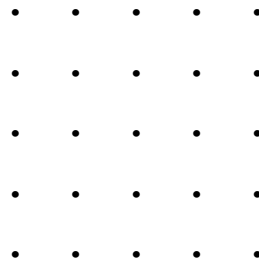

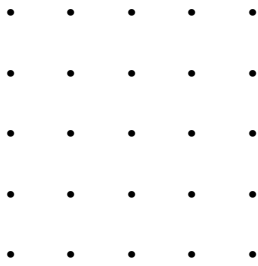

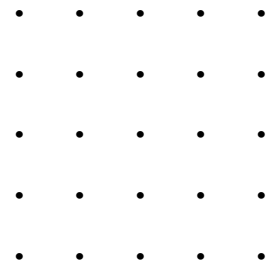

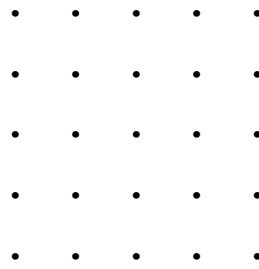

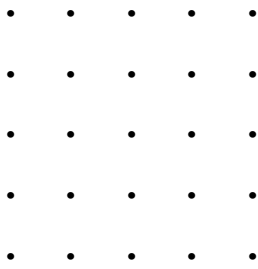

19 - Jeu de Hip

Grilles 4x4 pour un jeu « papier crayon »
