

Star

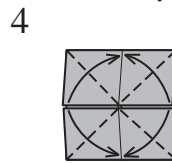

By V'ann Cornelius

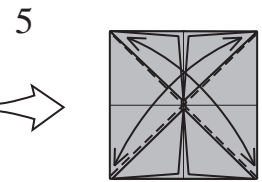

Valley-fold the sides together.

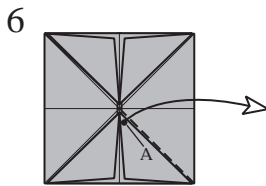

Valley-fold the top and bottom together.

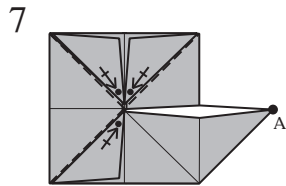

Valley-fold the four near corners as shown.

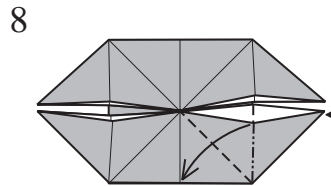

Valley-fold and unfold in half both ways, through all layers,

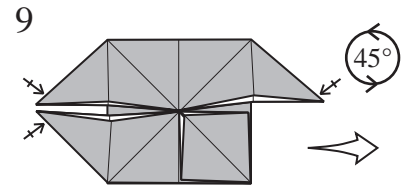

Slide out point A.

Repeat step nine on the other three corners.

This is the Pinwheel Base. Lift, open out, and squash.

Like this. Now, squash the other three corners. Rotate the model 45°.
